

Please do not take away the no-call list. Without it, there had been nights when we got 3-5 solicitors calling. Especially agrivating when they call after 8:00 pm. We are up by 5:00 AM and like to relaz and sometimes go to bed early. Without the no-call list, we were getting calls after 9:00 PM, sometimes after we had gone to bed.

PLEASE DO NOT TAKE THE NO-CALL LIST THIS AWAY.

Thanks
